- x Given the progress of discussions for reorganization, the college community is starting to think about issues of implementation, such as budgeting strategies, contract and human resources guidelines, immediate staffing needs and prioritization for others, and other changes.

#### Program Review

- x Program reviews from all units are due on May 17. This year the College is using a new, easier online process, thanks to the work of Dr. Alexis Gray, Dr. Kevin Fleming, and the Program Review Committee.

#### Safety

- x The Facilities department installed new lockdown and emergency procedure posters in addition to Lock Blok and Door Bloks in classrooms and many spaces across the College during spring break. See the April 16 "normal" email from Justin Czerniak, college safety and emergency planning coordinator, for Lock Blok and Door Blok directions and copies of emergency procedure posters.
- x Upcoming safety trainings continue between now and May 17, the day of the full campus evacuation drill (time to be determined). A list of trainings and announcements are available at the Norco College Safety Preparedness and Information Twitter site: <https://twitter.com/NCSafetyPrep>
