

# Norco College

California Community Colleges are now offering Associate Degrees for Transfer (ADT's) to the CSU. These may include Associate in Arts (AA)

2023-2024

## CHILD AND ADOLESCENT DEVELOPMENT (CSUGE) AA885 (IGETC) AA886

The Associate in Arts in Child and Adolescent Development for Transfer degree is a degree program that provides lower division preparation for students planning to transfer to a CSU for a Bachelor's degree in Child and Adolescent Development, Child Development, Child & Family Studies, Human Development or other related majors. The intention of this degree is to prepare students to transfer to complete degrees and professional programs in the fields of teaching, clinical social work, clinical psychology, school psychology, school counseling, college teaching, public policy, and/or developmental research. In this major, students will explore theories and concepts about physical, social, emotional, and cognitive developmental milestones from conception through adolescence; individual and cultural differences; and communication in development. In this broad, interdisciplinary curriculum, students will develop critical thinking, writing, and oral presentation skills in preparation to be professionals working with children and families.
