California Community Colleges are now offering Associate Degrees of Transfer (ADT's) to the CSU. These may include Associate in Arts (AA), Associate in Science (AS) degrees. These degrees are designed to provide a clear pathway to a CSU major and baccalaureate degree. California Community College students who are awarded an AA or AS degree are guaranteed admission with junior standing somewhere in the CSU system and given priority admission consideration to their local CSU campus or to a program that is deemed similar to their college major. (IGETC) AA708

The Associate of Arts in Spanish for Transfer provides transfer majors with a strong foundation not only in the language skills (listening comprehension, reading comprehension, speaking and writing), but also in the civilization and cultures of Spain and Latin America. The degree emphasizes the acquisition of communicative competence and the development of intercultural awareness, appreciation and understanding. Additionally, the Spanish courses align well with preparation for transfer majors in related fields such as liberal arts, language linguistics, and complement majors in international relations, political science, business, education, sociology and education study at UC, CSU, and private colleges and universities.

Required Core Applied

Note: If a student places out of any required course and is not awarded units for that course, the student will have to take credits to compensate for the course/units needed to reach at least 18 total units in the major (per 5 regulations). Appropriate course substitutions may be from List A or the courses listed below. Any other course substitution must be approved by the Spanish faculty of Western Lang
