Sen.09.26.01 Extending Library hours

Motion Author: Damon Nance

(DiscussionItem)

The Associated students of Norco College will discuss the possibility of extending our library hours

MK motioned, Rudy seconded

We don't have enough library open hours, it costs a lot, it is a budget expense. Saturday hours would be good to have 9AM-4PM. People can still go home have a weekend, people work and 800 respondents 60% would use library on Saturdays. Want to extend Fridays hour. Proposing extending the library hours till 4PM. Need extra part time librarians during peak times in the library just about 10 hours a week, help promote library services. Students are unaware of the library's resources. Would also assist faculty.

The Chair reserves the right to modify the order of business as it deems appropriate.

ASNC p

Damien maybe have the library open on Saturday and bring in a couple tutors

Ray: I feel like having designated tutors in study rooms will help

Damien: we are very space impacted, certain people come in and look into the offices and want to take away our study rooms. I think it's a good idea to have these rooms and maybe bring up the final's hours

Fran: how many people come on Fridays? If there's only a couple thing I recommend having it open until 3 and having the Saturdays hours

P: the population of Norco is expanding I think the library being open until 4 is a great idea

Ray: I know a couple people who have classes on sat. and I think it will definitely help

Edwin: would anyone like to write a bill

P: I suggest the person in library committee do it
