President: As requested I talked to Mark, and he is fine with us not doing hours because he is trying to work with getting Student Ambassadors another grant. His concern isn't the Upper Lounge because a student worker can just take care of that, instead it is the Food Pantry so, he would like ASNC to staff it next semester.

Tajza: Have they thought about bringing the Food Pantry over here?

President: Yes, I am sure, however the issue is space.

Edwin: It is placed over there for privacy as well as space purposes, and it is convenient as you leave campus.

Raul: Would hours be removed soon?

President: It would be effective today.

Voting: Approved Unanimously

Edwin: Administration, please update the bylaws with this and resubmit it for ratification.

President: Have this done by after Spring Break.

Edwin: The Chancellor will be on campus tomorrow at noon in CSS 217. He sees the entire district. Everyone is welcome. A lot of bills have been brought up relating to assembly and senate that relate to California Community Colleges.
