**IX. ASNC Advisor Report**

Edwin: We have an attendance policy where you basically have three absences after which you will be removed from student government. The reason I bring that up is because I want all of you to know the importance of your attendance. If we are hosting an event, its mandatory attendance for agency officers. There is an option of requesting and excusing an absence. Let me know in advance. Committee meetings also count as attendance. If a VP requests a meeting set time, you are required to attend. Also always check your emails and the ASNC group me. It is a requirement to respond immediately.
