Item 6. B. of the midterm report includes the Institutional Set Standards and Student Learning Outcomes in relation to performance . Relates back to the Institutional Self -Evaluation Report (ISER) Standard 1. b.2.

- x When is the report due? The draft of the report is due by the end of this semester. Will be submitted in February 2024.

- x Do we want to separate the responses to the questions for each area (Instruction, Student Services)? No, we can just address each question to collect information, share ideas, and brains form .

3.1 Follow -up Items

3.1 Task of

- Is there an option to slow down and focus on learning/training on how to use Outcomes in Canvas (collecting data in Canvas)? Yes, a suggestion to slow down and focus.
- x Will need to address the assessment review section in the program review for the comprehensive coming up next fall.
Take time to work on phase two and the process.
 - x Focus on the questions about the first phase of using outcomes in Canvas .
 - x Was a video created on how to import outcomes and link to assignments ?
Canvas outcomes resources are on the Assessment Committee [How-to -guides](#) and the [faculty toolbox](#) pages of the website.
 - x Conclusion - the committee would like to slow down and focus on using outcomes in Canvas.

3.5 Program Review Assessment Review Scoring

- x Program Review Assessment Review, why do we score and what is done with the scoring ? Not used anymore for the resource allocation process.

- x Actively addressing already collected feedback.
