o Meeting called to order: 12:54pm

Umoja Program. Abraham is part of the ASNC relations team. He recommends presenting a video clip of the event when requesting ASNC funds.

- Umoja will present to ASNC for funding assistance of \$700.00 for the duo presentation of Ain't I a Woman.
- **March 2020- Women's Month- Celebrating Women in STEM Conference.** Event to take place on March 13th 9am-2pm Middle School & High School

students to attend for interest in STEM. The intent is to expose students to pursue a career in STEM. Panelist and breakout workshops will take place. Keynote speaker is being selected or a possible keynote panel. A budget proposal will be prepared for the next meeting.

- **USC Center for Urban Education Student Equity Project** – Dr. Eric Felix will be at our next meeting to observe our committee practices. Dr. Ocegueda will send the 2018-2022 Student Equity Plan to committee members for review. What is
