

linking the calendar to our DE&I site for easier access. Students also get event information on their Canvas.

In the past our committee hosted Day of Inclusiveness in April. Do we want to have events in April? Perhaps a guest speaker series or highlight different communities. Dr. Hitchcock recommends reaching out to Dr. Fisher from our Center for Social Justice, perhaps having a virtual tour or speaking engagement to connect the center to our college.

Anita recommends Racial Justice Taskforce coming together with DE&I to work on involving students with a project piece that brings culture together. Dr. Hitchcock mentioned a mural is in the works with Megan Lindeman and students to display in the corral. There may be another mural being looked at for the front entrance, was presented to BFPC. If the mural is culturally driven should we be involved? Dr. Hitchcock will get an update from Megan to see how we can support.

Perhaps having the DRC present or have a speaker in April for Diversity month. Dr. Ferrer will reach out to his team for ideas.

Daniel recommends having some type of diversity contest for students to get to know DE&I and other student support programs at Norco.
