Library Advisory Committee Mission The Library Advisory Committee, a standing committee of the Academic Senate, serves as an active and collaborative forum to foster strategic planning, student success, and sustained continuous improvement, in order to uphold the overall mission of Norco College. In addition to the library's physical and informational resources and services, the committee's purview includes the learning support services provided by the Learning Resource Center.

Library Mission *As the heart of the academic experience at Norco College, the Wilfred J. Airey Library provides informational leadership, instruction, access to technology, and learning resources supporting: the mission of the College; the development of lifelong information competency skills; and the overall success of the learning community.*
