Program Trends and Updates

2014 - 2017

Program Update Section

Has your unit shifted departments in the PAST 4 years?: No

Do you anticipate your unit will shift departments in the NEXT 4 years?: No

New certificates programs created by your unit in the PAST 4 years?: No

New certificate programs anticipated by your unit in the NEXT 4 years?: Yes: Gallery Studies Certificate

New Art History ADT is being approved

Substantial modifications made to certificates/degrees in the PAST 4 years.: No

Substantial modifications anticipated to certificates/degrees in the NEXT 4 years.: Potential revision of the Studio Arts ADT

Possible adoption of a Graphic Design ADT

Activities in other units that impacted your unit in the PAST 4 years.: For a period of time, Game Art required their students to take the Studio Art Beginning Drawing course. Game Art periodically needs to offer figure drawing or perspective drawing in our Studio Art Lab, which decreases the number of courses we can offer in Studio Art, because of space limitations.

Activities in other units that impacted your unit in the NEXT 4 years.: There is the possibility of the Graphic Design certificate and the art-related CIS courses (Photoshop, Adobe Illustrator) moving from BEIT to AHWL. A new discipline may be created, and that new discipline should probably be housed in AHWL, not in BEIT. A full-time graphic design professor/multi-media professor with multiple skill sets should be hired to replace retiring faculty in BEIT, and that new professor should be in AHWL. Studio Art is also having discussions with Game Art about potentially have some shared courses, which will impact the Studio Art program.

Previous Program Review Resource Requests

Resource Requests Received: Hired new tenure-track art professor, Fall 2017.

How did the resources received impact student learning?: Support of Art Club/student life, more engagement with students outside of class, office hours, continuity of instruction, planning of art program.

If you requested resources but did not receive them, how did that impact student learning?: N/A
