- o Suggestion to think of your program as a pathway, what data would be useful/ meaningful? Suggestions of first year English and Math completion, persistence, Guided Pathways Metrics, etc.?
- o Is efficiency data useful? Suggestion it may not be the most meaningful metric to look at while reviewing a program. Most people don't even know how to use it and faculty don't have control over it.

We will be working through fall and winter to develop the new template and get it into Nuventive. Hope/need to have it up and running by spring.

Program Review Committee Statement of Purpose

We establish guidelines, tools, and content requirements for the Program Review process at Norco College. We review and evaluate the program review and annual update unit reviews to facilitate intentional self-evaluation and planning in order to support program quality, improve student success and equity, enhance teaching and learning, and connect resource allocation to strategic planning.
