Richard Henry (Co-chair) Vanessa Acosta, Nicole Brown, Miriam Carrillo, John Coverdale, Monica Esqueda, Mark Hartley, Timothy Huneck, Tracy Kazsuk, Daren Koch, Daniel Lambros, Shirley McGraw, Chris Poole, Hector Ramirez, Jim Reeves, Desiree Rivera, Patty Sanchez, Maureen Sinclair, Stan Tyler, Paul Van Hulle, Monique Rodriguez (Recorder)

Topic 1: Approval of Meeting Minutes – Main Speakers: Lisa McAllister

Contributing Speakers: N/A

Approval of the October and November 2017 Meeting Minutes

Motion: Paul Van Hulle

2nd: Nicole Brown

Approved with majority of I's

Abstain: Nicole Brown

Topic 2: Emergency Supply Order – Main Speakers: Lisa McAllister

Contributing Speakers: N/A

We need to finalize our emergency supply order in April's meeting. Please bring your suggestions with you if you have not already emailed them to Lisa McAllister.

We now have a list of expiration dates for all emergency supplies. The AED is registered with Trackmoore and sends reminders when to check the batteries. We should look into purchasing Blue Cans as an alternative to water as the Blue Cans last 50 years. Mountain House foods last approx. 4 years and is an option to look into. We are a community disaster resource and we need to remember that when ordering. We need to work on MOUs within the community such as Target, Stater Brothers, Gas Stations, the RV Place on the corner, DD Rentals, etc. There are a number of safety grants but we currently do not possess the resources to go after them. Maureen and Monica have volunteered to start looking into them. We were recently denied for a grant

that these were the best currently on the market. This is only a so
current investigating options for all double doors on campus.

Topic 4: Active Shooter Panel – Main Speakers: Lisa McAllister

We had our Active Shooter Panel on Friday March 10th and it was a huge success. The commentary was great and knowledge gained is priceless. STOP the Bleed is a great program run by Riverside Community Hospital and we should look into the possibility of getting some of the STOP the Bleed kits or something comparable and keeping them with our AEDs so our on campus emergency equipment for public use is housed all in one place. Our goal is to eventually have an AED in every building. We will be looking into
