

Planning Councils Survey

Norco College 2011

Annual Survey of Effectiveness of the Planning Councils: Academic Planning Council, Business & Facilities Planning Council and Student Services Planning Council – At the end of November of each academic year, participating members of each planning council will be surveyed to determine their degree of satisfaction with committee level planning, program review, resource allocation and decision-making processes, annually evaluate the criteria used, and their perceptions regarding the degree to which these processes are effective and linked at the planning council level.

Advisory Capacity Score

First 3-5 questions on each survey assessed the councils' "advisory capacity", "guidance", & "support" in the resource allocation and budgeting process

Advisory Capacity score was average of these 6 questions

Pertaining to the activities of this council, how satisfied were you with the following:
